Homicide Investigation

This afternoon at 2:38 p.m., Lincoln Police Officers responded to the report of a shooting occurring on A Street, between South 17th and South 27th Street. A female, and sole passenger of a City of Lincoln bus that was traveling eastbound was shot. The female was transported to a local hospital by Lincoln Fire and Rescue where she was pronounced deceased.

The preliminary investigation shows the bus was in motion on the city street and a bullet entered the driver's side of the bus striking the female where she was seated.

Investigators are working to notify family members, canvassing the area for witnesses, and searching for digital and forensic evidence.

A Street will remain closed as investigators process the scene. Please avoid the area and take an alternate route.

We are still in the beginning phases of the investigation. Further details will be released at the morning press briefing on July 24, 2020.

This investigation is ongoing and anyone with information relevant to this investigation can call 402-441-6000 or Crime Stoppers at 402-475-3600.
